

# TMP 2026

International Conference on

# ThermoMechanical Processing

---

Sponsorship Proposal

From sustainable steelmaking to intelligent manufacturing, the 7th International Conference on Thermo-Mechanical Processing (TMP 2026) will bring together global leaders to discuss the most pressing challenges and groundbreaking innovations in the metals industry.

---

THE CONFERENCE WILL FOCUS ON FOUR KEY AREAS:

- **Sustainability & Resources:** Environmental impact, CO<sub>2</sub> footprint, and the availability of critical alloying elements.
- **Metallurgical Fundamentals:** Microstructures, solidification mechanisms, recrystallization, and advanced modeling.
- **Technology & Product Development:** Hot deformation, strip production, extrusion, wire drawing, and non-ferrous alloys.
- **Intelligent Manufacturing:** Digital twins, AI-driven process optimization, and big data analysis in thermo-mechanical processing.

As a sponsor, your company will be positioned at the center of this transformation – with direct access to industry leaders and the opportunity to showcase your expertise in sustainability, innovation, and advanced manufacturing.

# GOLD SPONSORSHIP
